INNOVATIVE HORTICULTURE

LOW GRAFTS

New low grafts this season

G. Droopy Drawers: similar to Wendy's Sunshine but may be more reliable.

G. magnifica : open shrub around 2.5 to 3 metre high. The deep pink flowers are 10 - 20 cm long and presented on stems above the foliage. Flowering usually occurs in winter and spring. The foliage is fern like- dark green, and finely divided.

G. uncinulata: small, petite shrub 0.2 to 0.3 metres tall. Masses of small cream fluffy flowers cover the plant in winter/ spring. Red and yellow style ends add to the magnificent flower display. Attractive fine foliage.
